## Electromechanical Technician

### CONTACT DETAILS

**Tel:(+242)56235435/69395326**

**E-mail: berniemouandza@gmail.com**

**Brazzaville**

**Republic of Congo**

### PROFESSIONAL PROFILE

Experienced Electromechanical technician with 12 years of experience between the field and the management of maintenance .vast experience in designing and installing automation infrastructure and advanced analytical, problem-solving and collaboration skills

### WORK EXPERIENCE

*June 2022- Present*

*Administrative Maintenance GSE Workshop agent CONGO HANDLING (GROUPE CRIT)*

- Coordinated preventive maintenance schedules of GSE equipment
- Supervised technician and scheduled shifts in the GSE workshop
- Managed inventories of spare parts and tools to ensure the availability of necessary resources for timely repairs
- Established and documented protocols for preventive maintenance procedures, decreasing equipment issues, and reducing downtime
- Analyzed and identified GSE equipment failure root causes and initiated correction actions
- Prioritized preventive measures such as lubrication programs and vibration analysis that helped extend
- Tracked and progressed maintenance requests in CMMS systems to meet schedules
- Regularly updated technical knowledge through ongoing education, industry seminars, workshops,
- Assisted management with budget planning through accurate estimation of required resources for upcoming projects and repairs within the department

## CORE SKILLS

Lubrication services  
Preventive Maintenance  
Battery testing and replacement  
Safety Protocols  
Teamwork and collaboration  
Workshop Logistics  
Warehouse  
Driver license ABC

*April 2014-june 2022*

Electromechanical maintenance Technician • CPTS (Maser Engineering)

- Troubleshoot equipment breakdowns and performed preventive maintenance
- Followed work orders and specifications for machine and equipment replacement, repair, or maintenance
- Operated varied hand power tools to complete repairs
- Completed daily, weekly, and monthly checklists on building equipment to maintain records of scheduled maintenance procedure
- Wrote work order and parts fabrication requests of GSE equipments
- Frequently diagnosed mechanical problems and determined how to correct issues
- Evaluated electrical installations and systems to isolate faults and implement corrective actions.
- Performed onsite maintenance and repair work
- Dismantled and reassembled delicate mechanisms
- Maintaining LARS'S

*May 2013- December 2013*

Hydraulic Technician TPSMI LTD (PETRODIVE)

- Collaborated with team members to ensure proper diagnosis, repair and testing of hydraulic components
- Installed new parts and components such as lines, pipes and bracing
- Maintenance of launch and recovery system (LARS)
- Maintenance of diesel motors
- Maintenance of pneumatic hoses

- Used fleet maintenance software program to complete
- Cleared work sites of hazardous items
- Documents finding and actions taken
- 

January 2013 - April 2013

Electrical maintenance engineer PAPN (Port authority of CONGO)

- Scheduled and undertook periodic maintenance on all electrical installations, Component and equipment
- Inspected equipment every week to maintain working order
- Organized and directed maintenance shutdowns and startups
- Completed partial or full dismantling of equipment to quickly repair or replace defective components and restore functionality
- Cleaned and lubricated parts to keep equipment operating at peak performance

## Training

Fest Didactic webinars of festo products

Festo Didactic Process Automation and  
Customer solution

National Agency /Management of Purchases  
spare parts

Motul lubricants

HSE

Risk assessment

Fire fighting

Warehouse

## EDUCATION

National Diploma N6 -College of cape Town /Electrical  
Engineering

Pinelands Campus – Cape town /2012

National Certificate - Northlink college /Fluid Power and PLC's  
Wingfield Campus - Cape Town 2012

Certificate in Automation –Society for automation,  
instrumentation, Mechatronics and computer engineering

Certificate in Industrial Electronics-Progressive Electronics  
Goodwood-Cape Town 2011

Acacia park Eskom-Cape town 2010

National Certificate N3- College of cape Town/Practical Skills  
Courses in Electrical Engineering

Pinelands Campus-Cape Town 2008

Certificate in English –Hospitality and Commercial college  
Cape Town-City Bowl 2007

Technical High School Diploma –/Electrical engineering

Pointe-Noire /Republic of Congo -2001-2003
