Professional Summary

Enthusiastic and motivated individual with a certification in IoT and an introduction to cybersecurity. Eager to apply theoretical knowledge and embark on a career in the field of IoT and cybersecurity. Seeking an entry-level position to learn and contribute within a dynamic team environment.

Authorized to work in the US for any employer

Work Experience

Assembler

Hanwha Aerospace USA-Cheshire, CT

October 2024 to February 2025

- Assembled and inspected aerospace components for jet and military engines.
- Followed detailed blueprints, work instructions, and quality standards to ensure precision and compliance.
- Used hand tools, power tools, and measuring instruments to complete assembly tasks.
- Conducted quality checks and reported any defects or inconsistencies.
- Maintained a clean and organized work area in accordance with safety regulations.
- Collaborated with team members and supervisors to meet production deadlines.

Server

Hachiroku Shokudo & Sake Bar-New Haven, CT

January 2023 to April 2024

- Collaborated with a diverse team to provide exceptional customer service in a dynamic Japanese and sake bar restaurant environment.
- Demonstrated adaptability and efficiency in handling various tasks, such as taking orders, serving dishes, and addressing customer inquiries.
- Contributed to maintaining the restaurant's ambiance and authenticity, enhancing the overall dining experience for patrons.
- Developed strong communication skills while interacting with customers to ensure their needs were met and preferences were accommodated.
- Assisted in managing and organizing the dining area, optimizing seating arrangements, and maintaining cleanliness and orderliness.
- Gained insight into Japanese cuisine and culture, enabling effective recommendations to customers seeking authentic culinary experiences.
- Adapted to fast-paced shifts, honing multitasking abilities and time management skills to ensure smooth service even during peak hours.
- Collaborated with colleagues to uphold food safety and hygiene standards, ensuring compliance with local health regulations.
- Cultivated a positive and friendly atmosphere, contributing to customer loyalty and repeat business.

Machine Operator

CSS Corp.-Farmington, CT

October 2022 to December 2022

- Executed precision tasks, following detailed instructions and technical specifications to produce high-quality products.
- Monitored machine operations, promptly identifying and resolving any issues that arose to minimize downtime and maintain production flow.
- Conducted regular quality checks and inspections, adhering to strict standards to guarantee products met or exceeded established quality criteria.
- Collaborated with cross-functional teams, including technicians and supervisors, to coordinate workflow and achieve production targets.
- Demonstrated a keen eye for detail by adjusting machine settings and parameters, fine-tuning processes to achieve optimal results.
- Safely operated heavy machinery and equipment, strictly following safety protocols and guidelines to prevent accidents and injuries.
- Assisted in routine maintenance and cleaning of machines, contributing to their longevity and overall operational efficiency.
- Participated in training programs to enhance technical skills and stay updated with the latest advancements in machine operation and technology.
- Utilized problem-solving skills to troubleshoot minor mechanical issues, minimizing disruptions and ensuring continuous operation.

Roofer/Laborer

Centimark Corporation-Rocky Hill, CT

December 2020 to March 2022

- Worked as an integral member of a skilled commercial roofing team, contributing to the successful completion of various roofing projects.
- Assisted in the installation and repair of commercial roofing systems, including membrane, metal, and asphalt roofing materials.
- Gained hands-on experience in preparing roofing surfaces, measuring and cutting materials, and applying waterproofing solutions.
- Safely operated and maintained roofing equipment and tools, ensuring a secure and efficient work environment.
- Collaborated closely with senior team members to learn industry best practices and techniques, enhancing roofing skills and knowledge.
- Demonstrated a strong commitment to safety protocols, adhering to Occupational Safety and Health Administration (OSHA) guidelines and promoting a hazard-free workplace.
- Adapted to changing weather conditions and physically demanding tasks, showcasing resilience and dedication to completing projects on schedule.
- Participated in site clean-up and debris removal, contributing to a tidy and organized work area upon project completion.
- Showcased strong teamwork skills by effectively communicating with colleagues to coordinate tasks and ensure project goals were met.
- Actively engaged in learning about different roofing materials, techniques, and advancements in the commercial roofing industry.
