I have always performed my duties to the best of abilities throughout my 6 years of service in the United States Navy. I have obtained multiple skill sets and certifications in a variety of fields.

Work Experience

Ground Support Equipment Technician

United States Navy

January 2018 to Present

Trained on hydraulic, electrical, diesel engine maintenance, troubleshooting, periodic inspections, and equipment testing on critical Aviation Ground Support Equipment.

Supervised and monitored 250 Aviation Ground Support assets readiness for *four* years utilizing Microsoft Excel.

Performed the duties of a liaison between multiple operating activities to improve work flow production and readiness.

Supervised and instructed personnel to be adequately trained to perform maintenance on aeronautical equipment resulting in sustained flight operations.

Served as a collateral duty inspector and divisional safety officer.
