WORK EXPERIENCE

Root3 – Seasonal Bat Surveyor

- Conducted evening field surveys as part of a team monitoring bat activity and habitats.
- Gained practical experience in ecological fieldwork and wildlife observation.
- Ensured accurate data collection in line with survey protocols.

Sodexo / Stop Hunger 2023

- Observed and participated in CSR and Stop Hunger team meetings, gaining first-hand exposure to corporate sustainability operations.
- Developed an understanding of how sustainability departments function within a large international organisation (400K+ employees across 60 countries).
- Learned about Stop Hunger initiatives, including organisational structure, corporate volunteering, and fundraising activities.
